

ACTION PLAN ON CORONAVIRUS DISEASE 2019 (Covid-19)

1 Background

- 1.1 The Coronavirus Disease 2019 (Covid-19) has been known to cause illnesses ranging from the common cold to flu which eventually, may also lead to pneumonia. People with underlying medical conditions or illness are also vulnerable to the coronavirus.
- 1.2 As of 01/02/2020, Covid-19 has gone beyond China's borders and have spread to multiple countries. There are also reported cases of death.
- 1.3 The symptoms of the Covid-19 are similar to that of regular pneumonia. Typical symptoms include fever, runny nose, sore throat, cough and shortness of breath.

2 Ministry of Health DORSCON Level

a. The Singapore Ministry of Health classify severity of disease outbreak according to the 'Disease Outbreak Response System Condition' (DORSCON). Refer to <https://www.moh.gov.sg/diseases-updates/being-prepared-for-a-pandemic>

b. DORSCON table (extracted from Ministry of Health website):

| Colour | Nature of Disease | Impact on Daily Life | Advice to Public |
|---------------|--|---|---|
| Green | Disease is mild OR Disease is severe but does not spread easily from person to person (e.g. MERS, H7N9) | Minimal disruption e.g. border screening, travel advise | <ul style="list-style-type: none"> • Be socially responsible. If you are sick, stay home • Maintain good personal hygiene • Look out for health advisories |
| Yellow | Disease is severe and spreads easily from person to person but is occurring outside Singapore OR Disease is spreading in Singapore but is (a) typically mild, i.e. only slightly more severe than seasonal influenza, could be severe in vulnerable groups (e.g. H1N1 pandemic) OR (b) being contained | Minimal disruption e.g. additional measures at border and/or healthcare settings expected, higher work and school absenteeism likely | <ul style="list-style-type: none"> • Be socially responsible. If you are sick, stay home • Maintain good personal hygiene • Look out for health advisories |
| Orange | Disease is severe AND spreads easily from person to person but disease has not spread widely in Singapore and is being contained (e.g. SARS experience in Singapore) | Moderate disruption e.g. quarantine, temperature screening, visitor restrictions at hospitals | <ul style="list-style-type: none"> • Be socially responsible. If you are sick, stay home • Maintain good personal hygiene • Look out for health advisories • Comply with control measures |
| Red | Disease is severe AND is spreading widely | Major disruptions e.g. school closures, work from home orders, significant number of deaths | <ul style="list-style-type: none"> • Be socially responsible. If you are sick, stay home • Maintain good personal hygiene • Look out for health advisories • Comply with control measures • Practice social distancing ; avoid crowded areas |

3 Action Plan

3.1 The following action plans would be taken in accordance to each DORSCON condition:

| Colour | Action | Action Plan |
|--------|--|--|
| Green | Business as usual * All events can carry on | <ul style="list-style-type: none">• Participating teams to conduct own health screening of their team members before the start of event:-<ul style="list-style-type: none">- temperature taking before activity, especially for children of age 14 years and below as well as senior citizens of age 60 years and above- start tracking their participants members travel history• Limited health screening may be conducted before start of event :-<ul style="list-style-type: none">- observe the participant's physical and/or health status- refer the participant to the attending Medical Team for expert observation and assessment on "fit to continue" status• Participants who are sick will not be permitted to participate• Participants who have travelled to affected countries may not be permitted to participate |

| | | |
|----------------------|---|---|
| <p>Yellow</p> | <p>Business can carry on with minimal disruptions</p> <p>All events can carry on with minimal disruptions</p> | <ul style="list-style-type: none"> • Compliance with any MOH and/or SportSG directive concerning handling of public/mass activities • Individuals who are sick will not be permitted to participate • Individuals who have travelled to affected countries are not be permitted to participate • Individuals placed on Leave of Absence (LOA) should not participate • Individuals who are well do not need to wear masks during the activity • Participating teams to conduct own health screening of their team members before the start of their activity:- <ul style="list-style-type: none"> - temperature taking before activity - obtain their participants/team members travel history • Before start of event, enhanced health screening may be conducted: <ul style="list-style-type: none"> - temperature taking before activity - request participants to declare their travel history - observe the participant's physical and/or health status - refer the participant to the attending Medical Team for expert observation and assessment on "fit to continue" status |
| <p>Orange</p> | <p>Limited business operations can carry on</p> <p>STAR Games/Events may OR may not carry on</p> | <ul style="list-style-type: none"> • Compliance with any MOH and/or SportSG directives concerning handling of sports events • Yellow code Action Plan above applies. • CSC advises participating teams to review risk assessment whether to still carry on with activity: <ul style="list-style-type: none"> - if carrying on with activity, to keep a log of the area of activity on a per half hour basis - keep a list of participants (names according to NRIC/passport and hp no) • If MOH and/or SportSG directive permits continuation of public/mass activities, enhanced health screening of the participants (similar to Yellow code box above) will be conducted. |

| | | |
|------------|---|---|
| Red | <p>Business will close until further notice</p> <p>All STAR Games/Events shall be cancelled</p> | <ul style="list-style-type: none"> • Compliance with any MOH and/or SportSG directive concerning handling of public/mass activities • Depending on severity declared by MOH and/or directive received:- <ul style="list-style-type: none"> - all STAR Games/Events may be cancelled outright or postponed to a later time |
|------------|---|---|

4 Updates

- 4.1 The fastest and most reliable way to receive updates about the Covid-19 virus is by checking the Ministry of Health website: <https://www.moh.gov.sg/>
- 4.2 CSC shall also inform and/or alert the Sports Liaison Officers / Team Managers using the following medium:
 - a. Email
 - b. Social media platform, i.e. Facebook
 - c. SMS
