

 **SPECTO** | BOWLING

Meet Specto: A new tracking system for centers, bowlers and coaches. It records information about bowlers' shots using a high-power sensor and displays it to them on an easy-to-use app.

Specto Bowling is now **FREE OF CHARGE for all bowlers at Changi Resort Bowl on Lane 1-4 only! Come try it out before our promotion ends!**

Approach our friendly Bowling Executives over at the Bowling Counter, should you require any assistance!
