From the GM'S DESK

Charlie Ng
General Manager, CSC

TIME has passed by very quickly and we are already in the third month of 2011. The March school holidays are just round the corner, which promises a lot of fun for the children. At Civil Service Club, we have planned a host of activities to cater to the varied interests of the children. The activities range from robotic games, enrichment programmes to cartoon and comic drawing. We have also lined up activities for parents to bond with their child such as macaron baking and ice-cream making sessions, which you can check out on our website or in Fusion magazine.

The year end festive draw held at Tessensohn Clubhouse on 15 January 2011 was very well supported by the members. Between October 2010 and January 2011, we received about 140,000 lucky draw coupons from our members. Any member who spent \$50 or more in the Club's non-tenanted outlets was given a lucky draw coupon to participate in this festive draw. We wish to thank our members for the tremendous support and to congratulate the lucky winners, in particular Ms Soon Lay Kim and Ms Teh Hui Hwa, who won the first and second prize of \$8,888 and \$6,888, respectively.

The Chinese New Year Bazaar, also held at Tessensohn Clubhouse on 15 January, was also very well-patronised by members and their guests. More than 2,500 shoppers thronged the stores of the Bazaar looking for good bargains and New Year goodies. Many also participated in the various social activities organised. We plan to have an even grander Bazaar next year. A greater variety of stalls will be provided and will be centralised in the multi-purpose hall to facilitate the shopping experience. A myriad of activities will also be organised at the various function rooms to cater to the different needs of our members.

A piece of good news to share with our members staying in the east of Singapore is that Changi Clubhouse will be renovated and upgraded. The Club has appointed DP Architects to be the consultant of this project. It will likely commence in August 2011 and will be completed by end 2013. The renovated Clubhouse will have chalets, food and entertainment outlets and sporting facilities, including a 20-lane bowling center. Members will be progressively updated on the development progress.

The Club is sparing no effort to upgrade the facilities of the Clubhouses. We hope members will frequent the Clubhouses and enjoy the facilities provided. As these are your Clubhouses, we urge members to assist us in maintaining the facilities and to inform us if any facilities are not functioning efficiently.

Members who communicate with the Club through e-mail may have noticed that the Club's e-mail address has changed. Instead of using <csc.gov.sg>, we now use <csc.sg>. We remain linked to the Civil Service portal and public officers can continue to receive the e-broadcasts of events and activities. Not only does this not affect the efficiency of the Club and its members, this switch also saves the Club about \$60,000 annually.

It now leaves me to wish our members a fun-filled March holiday with your family and a great Easter in April.

New Facilities @ Tessensohn!

CSC Club Tessensohn is still in the midst of ongoing renovations, and we thank all our members for their patience while we try and upgrade your experience.

In the meantime, several of our new facilities are up and running. The renovations for the toilets and pool changing rooms are now completed and newly opened for members' use! Additionally, the swimming complex has also been given a new coat of paint, and members can now make use of new changing rooms, nursing rooms, and lockers. There are now two brand new hot spas next to the Children's Pool, and the club has brought in new poolside furniture. There has also been some landscaping work done, resulting in a relaxing alfresco dining area. Additional water play features at the children's pool have been included and they are very popular with the children at the pool.

There is also a new vendor for our poolside café. Simply Peranakan Café serves a wide variety of local and Peranakan food. They also offer buffet catering. Remember to show your membership card at the counter to take advantage of special discounts!

While the swimming complex has already been painted, painting works at the Clubhouse and other premises are still in progress and will continue until April 2011. We seek our members' understanding for this and apologise for any inconvenience caused.

CSC Changi Runners Club Is 1 Year Old!

THE CSC Changi Runners Club started with five avid runners and over a few months, they grew to more than 30 members. Despite busy and hectic schedules, they always set aside a few hours on every 1st and 3rd Saturday mornings of the month to run along the Changi Coastal Road, for distances ranging from 5km to 20km.

Thirty-nine members turned up on 18 Dec 2010 to celebrate its 1st Anniversary. To add to the joy, they also celebrated the festive season with a spread of delicious food. Committee members also revealed the future plans of the running club, and aimed to produce athletes to represent CSC competitively in marathons as well as other major runs.

CSC members are welcome to join the running club for regular runs along the scenic Changi Coastal Road, either as part of a healthy lifestyle or to train for competitions.

CSC Walk @ Marina Promenade

Participants in ponchos warming up...

... with an instructor guiding them along

DESPITE the gloomy weather, close to 900 public officers turned up for an enjoyable late afternoon walk at the Marina Promenade on Wednesday, 29 Dec 2010. The walk was one of the many sports activities organised by CSC to promote a healthy lifestyle in the Public Service. Gracing the event was Mr Lau Chee Chong, CSC Honorary Treasurer. Participants gamely took part in an aerobic warm-up exercise under the guidance of an experienced instructor before setting off for the 4km walk. The starting and ending point was near the Singapore Flyer. Many of them found the walk to be pleasantly easy and enjoyed the panoramic views of the Marina reservoir. After the walk, they collected their healthy food packs and some lucky officers won prizes in a lucky draw.
