Dear Members,

“See you at our exciting events lineup. From our National Day and Mid-Autumn celebrations, to Public Service Month and of course the annual PS Sports & Family Day, which offers free participation for all public service officers, members and their immediate families.”

Greetings from Civil Service Club

ACTIVITIES OVER THE PAST 2 MONTHS

Social Activities

Over the past 2 months, the Club organised 3 major social activities of which the Mother's and Father's Day celebrations must be closest to members' hearts. All the mamas and papas who attended the events had a good time with the sumptuous food, entertainment and free gifts. Kudos to all the filial children that celebrated these events with their parents.

International Yoga Day. The other major social event was the celebration of the International Yoga Day on 21 Jun 2018. The Club partnered Vyasa Yoga to celebrate this event at all the Clubhouses. More than 350 participants attended this event. At CSC @ Tessensohn where the event was held on the actual day, the Club had the honour of Mr. Jayachandran (Singapore's High Commissioner to the Republic of Mauritius) and Mr. Ninad S. Deshpande, Deputy High Commissioner of India to grace the occasion.

Mahjong Challenge. A Mahjong Challenge was organised on 12 May 2018. There were 36 avid players pitching their skills against each other to see who would emerge the overall winner. Congratulations to Mr. Yeong Whye Leong for being the champion of the first challenge. The Club will organise a series of Mahjong Challenges with the objective of pitching the skills of the top four winners of each challenge against each other for the coveted title of King of Kings for CSC Mahjong. So, do check out the next Mahjong Challenge that will be held.

Doggie Carnival. The Club organised many activities for both the adults and children in June 2018. One of these was the Doggie Carnival which had a

good turnout of about 250 participants with about 80 of their furry loved ones at Changi Clubhouse on 9 June 2018. Everything at the lawn was related to dogs, from cooked dog food to dog accessories. There was on-the-spot obedience training for dogs and socialising for both the dogs and their owners. All members who participated in this event, were given a goody bag containing dog treats (sponsored by our partners) and a furry toy dog. The Club took this opportunity to link up with the dog owners and conducted a survey on the plan to offer a couple of chalets at CSC @ Loyang for the dog owners to have a staycation with their furry loved ones. The plan was met with a resounding yes, with the respondents giving very good feedback.

Sports Activities

Over the past 2 months, 8 sports activities were organised. There was an increase in the number of participants for almost all these activities. This augurs well and kudos to all the Sports Liaison Officers for their hard work to motivate their staff to participate in healthy lifestyle activities. The Sundown Marathon held on 19 May 2018, saw a total of 630 participants; 151 running the half marathon and 107 the full marathon. As compared to last year, there was a 150% increase in the number of participants for both categories. As for

the 10-km run, there was an increase of 110 runners. The beach games held at Sentosa on 30 June, saw an increase in all the participating teams from Beach Volleyball, Beach Frisbee to Beach Captain's Ball. These are games that have actively participation by younger public service officers, and it is evident that our public service officers are making time to keep physically fit.

ACTIVITIES OVER THE NEXT 2 MONTHS

Social Activities

National Day Celebration. The key highlights over the next 2 months will be the National Day celebrations and the Mid-Autumn Festival. This year, the National Day Parade celebration will be held at CSC @ Tessensohn instead of CSC @ Changi. Besides the live National Parade telecast on big screen, at the rooftop, there will be a movie screening, "Ah Boys to Men 4" at the Ruby Ballroom. There will be bazaar booths, food and drinks for the children and adults. Please refer to page 4 for details.

Besides the live telecast, please join us to celebrate our 53rd birthday with a night of wine and dine at CSC @ Tessensohn, Qian Xi Restaurant on 3 Aug 2018 between 7pm to 9.30pm. Come dressed in our national colours and enjoy an evening together with sumptuous food, entertainment and most importantly, bonding together as we sing our favourite renditions of National Day songs as one big family. Please refer to page 5 for the details.

Mid-Autumn celebration. It will be held at CSC @ Bukit Batok on 21 Sep 2018. There will be a myriad of activities for the children to soak in the essence of this festival. Stage entertainment by our bubbly emcee Happy Fei Fei will further heighten the mood. Besides the different varieties of mooncakes, there will be an abundance of local fare available for sampling. The grand finale will be a lantern walk around the swimming pool complex. This will be a golden opportunity to celebrate the Mid-Autumn festival together. Please refer to page 6 for the details.

Public Service Month

This year the Public Service Month is in July. To promote this special occasion, the Club will be having an Open House for all public service officers. There will be free access to the swimming pool and use of facilities in the Club at members' rates. For those looking for a staycation, there will even be a 50% discount for a second night stay at CSC @ Changi. Please refer to page 10 for details.

PS Sports & Family Day. The Club is also organising the Public Service Sports & Family Day on 14 Jul 2018 from 8am to 1pm. Don't miss this once-a-year fun and exciting multi-sports event with us.

Participation for all public service officers, members and their immediate families is free. All you have to do is just bring your family and colleagues to have fun with the wide range of activities organised. There will be stage entertainment, bazaar booths, F&B, both land and sea sports, a healthy lifestyle walk and a step challenge, catering to public officers of all ages. Besides the main activities at Gardens By the Bay East, there will be 2 fringe activities: a 30-km cycling event and an Amazing Race. The cycling event will commence from CSC @ Changi to Gardens by the Bay East. All members and public officers are welcome to join the avid cyclists from our Cycling Interest Group to participate in this. The Amazing Race, which is always a hit, will commence and end at the main venue. **To top it all off, free goody bags will be given to all participants and a lucky draw will be held at the end of the event, with fabulous prizes.** To all our members, please share this with all your friends in the public service. Public service officers can approach their SLOs for registration or simply come to Gardens By the Bay East to get a copy of the coupons to enjoy all the activities and complimentary goodies. For more details, please refer to page 12.

CSC @ Loyang and CSC @ Changi II (Formerly known as Aloha Chalets), and CSC @ Changi

The Club now operates 108 chalet units in both Changi, Changi II and Loyang. The units range from single room suites, family suites, villas to bungalows. Members and public officers will be spoilt for choice. Most of the units are idyllically situated near or facing the sea, in the case of CSC @ Loyang. All these units are served by a CSC shuttle that will ply amongst the 3 clusters of chalets. The booking platform has also been updated to enable seamless booking of any units across the 3 clusters. The facilities available at each cluster are designed to complement each other. Changi Clubhouse offers bowling, karaoke, an infinity pool and delicious F&B options, whilst Loyang has a beachfront with gentle gradients for more nature or water sports-based beach activities. The units at Changi II in turn offer lush gardens for big parties.

The first wave of enhancement has been completed, with improvements made to housekeeping services, along with provision of a safe for valuables, torchlights, umbrellas and baby friendly facilities in each unit. The next wave will be the upgrading of the WiFi speed of the units at Loyang and Changi II from 60 MBPS to 200 MBPS in July. The last wave of major enhancements will be in August where each unit will have a set-top box channel TV, toiletries, beverages dispensing machine, DECT phones and mineral water.

The sea sports centre at CSC @ Loyang will be operational by August 2018. It will offer a wide range of sea sport facilities ranging from canoes, kayaks, paddle boats to bell boats. There will be a sea sports bistro bar offering the chance to partake in BBQ food and snacks, while taking in the relaxing view.

The Club will renovate 3 units of chalets at CSC @ Loyang to allow for a dog-friendly staycation by end August 2018. These will enable members and public service officers who have dogs to book these chalets and spend quality time interacting with their furry friends by the beach and swimming in the sea. Dog-related services can also be provided upon request such as dog grooming. A fenced up play area for the dogs to socialise and interact will also be set up next to the 3 chalets.

With all the above enhancements, there is a cost involved and the Club will correspondingly adjust the booking fees for units at CSC @ Loyang and Changi II from August 2018, onwards. We seek the understanding of our members and public service officers on this. However, as an introductory offer, the Club will roll out early bird discounts from 15 Aug to 30 Nov 2018. For more details, please check out pages 24 & 25.

Did You Know?

GYM Training Centre at CSC @ Tessensohn.

A gym training centre has been set up at L2, opposite the dance studio. It provides gym training as well as physiotherapy treatment for sports related injury management. Please check out page 22 for the details.

Gym at CSC @ Changi. The Club will set up its own gym to cater to the needs of the members staying in the East and those guests staying at the chalets. It is a small gym that provides essential modern gym equipment for gym enthusiasts to enjoy a good workout. It will be operational by late August 2018. The gym will be located at the Sports complex, L4 behind 8 Degrees.

Hornbill Café & LOTS Gourmet. Good news for those who visit CSC @ Changi. The Hornbill Café, beside the swimming pool will be operational in July and the LOTS Gourmet in August 2018. These F&B outlets serve tasty fusion food and refreshing ice-cream.

Inter-Club Festive Decoration Competition.

CSC @ Bukit Batok emerged as the most decorative and festive Clubhouse for the Hari Raya Adilfitri competition. Congratulations to the Director and staff of CSC @ Bukit Batok for the good effort and team work.

Change of Club Vice President and Chairman for EXCO.

The Club's Management and EXCO Members would like to extend a word of thanks and appreciation to the outgoing Club Vice President and Chairman of EXCO, Mr. Neo Kian Hong for his fine and steady leadership in leading the Club through many improvements and changes during his tenure. His clear directions and active guidance have undoubtedly helped strengthen the Club's standing. We wish him the very best in his next career as the CEO of SMRT.

We take this opportunity to welcome Mr. Chew Hock Yong, PS MSF as the new Vice President and Chairman of EXCO with effect from 1 Jul 2018. We look forward to his guidance and support of the Club.

With that, I wish everyone a happy 53rd National Day!

A PAW-fect Day Out

9 JUNE 2018 AT CSC @ CHANGI

The overcast sky made it a lovely day out for both dogs and their owners who enjoyed the tranquillity and spaciousness of CSC @ Changi's open grounds set against the sea just steps beyond.

It was a good day for retail therapy too, with a dozen booths offering something for all – the two-legged as well as the four-legged.

Furry's Kitchen was among the most tempting of the booths with its free buffet spread of four dog dishes – duck and potato, salmon and pasta, beef and sweet potato, and pork and broccoli. Furry's Kitchen sells fresh, healthy dog food that is free of additives, salt, preservatives and by-products. By the end of the carnival, Furry's Kitchen had dished up 30 kg of food.

Said IT Executive Ms Zan Lim, 39, "The dog buffet is great. My dog especially loved the salmon dish."

Dog owners also had fun browsing for treats to spoil their furry friends, including adorable hair bows and collars, dog spa items, handmade dog treats and even ice creams.

For the humans, there was *mee siam*, abacus seed dessert, cookies and cakes, popcorn, Taiwan snacks and jellies, and more.

For Physiotherapist couple Ms Kerrine See, 31 and Mr Chan Jing Cheng, 32, it was a good day out with their five-year-old Cavapoo, Franco. "Franco mingled with other dogs. He loved the dog buffet. And he got to try the jump equipment. And the open green space by the sea makes for a nice getaway. We'll be back next year."

Administration Executive Ms Jo Kuek who was there with her Maltese, Bacon and Fluffy, agreed. "The atmosphere is great. The dogs are friendly and the mood relaxed and festive. And the nearby beach made for a lovely walk for Bacon and Fluffy."

A Hack Guide To Dog Training

More than just fun and free play, the day also delivered plenty of helpful doggie hacks for the owners.

Members from the Singapore Kennel Club were on hand to give lessons on how to get dogs to obey simple commands such as "sit" and "lie down". Then followed the hilarious Greatest Temptation contest where the contestants had to stay in position despite the distractions of a ball, a treat and another canine. In the end, it was Ms Soon Le Ying, 28, and her six-year-old Shetland Sheepdog, Whisky, who won the first prize of a \$200 Furry's Kitchen voucher. The second prize of \$100 Furry's Kitchen voucher went to Ms Pearlene Lim, 33, and her three-year-old mongrel Zora.

This is the second year that CSC staged the Doggie Carnival, and looks like this year's is no less successful.

Equipment try-out to train obedience

Contest to identify the "most obedient" of them all.

CSC's Mother's Day Lunch ROYAL TREATMENT FOR MUMS

Held on 13 May at Qian Xi (Farrer Park) Restaurant, Tessensohn, CSC Mother's Day was an event to remember.

The royal treatment for all mothers began with a 15-minute head-and-shoulder massage by Atos Wellness, while BeautifyAddict's beauticians skilfully brought sparkles to female guests with a complimentary eye makeover.

For many participating families, it was a three-generation outing as they took the opportunity to honour the mothers and grandmas in their midst. Executive Jasline Tan has been coming to the annual event for six years running with her four sisters, their spouses and their 85-year-old mother! She gushed: "Each year, we start looking out for the sale of tickets from February! The programme is always entertaining, the emcee hilarious and the food yummy."

Education Officer Koh Hwee Hong was also there with spouse Liam Kwong Ping, her mother-in-law Tan Chooi Siang, and the couple's three teenagers. "We are always busy running in different directions but once a year, this lunch allows us to bond as a family."

True to the stomach being a good way to a mother's heart, lunch was a delicious eight-course banquet, with songs and table games to boot, that included the hilarious "Guess the celebrity mom" and the "No tying" games – the latter saw the winning table string 40 items together without a single knot! The well-participated "Best Dressed Mother" contest saw the prize going to couple Mary Lee, 62, and Tan Chooi Siang, 72; while 85-year-old Chua Soke Hua won the "Most Senior Mom" prize.

Said the beaming granny, "I am very happy to win this. I have wonderful daughters and sons who treat me to this lunch celebration every year." Not surprising, as it was a lunch served with lots of appreciation and love.

MINDEF are champions in the pool once again

21 April 2018

Undoubtedly an event to showcase the prowess of the best swimmers in the public service, the Swimming Meet 2018 saw teams from 16 government agencies competing. The event was held at the Tessensohn Clubhouse on 21 April '18.

Once again, arch rivals Ministry of Defence (MINDEF) and Ministry of Education (MOE) vied for the coveted overall championship title. With a top placing in the in the Men's Category and a second-place finish in the Women's Category, MINDEF edged out MOE to clinch the championship. MOE was top in the Women's Category but could only manage third placing in the Men's Category.

2WO Sia Yew Boon, MINDEF team manager, spoke of the success that Mindef has had in swimming over the past two decades. "I've been with the team since 1996," he said. "MINDEF has clinched the overall championship title in the Public Service Swimming Meet quite a number of

times since it started."

Due to their varied responsibilities, "own time, own target" is very much the order of the day for the MINDEF swimmers for most of the year. "We usually train in our own free time as most of us come from different forces and formations of the SAF with vastly different working and operational commitments and regimes," 2WO Sia said. However, the commitment of the team members – and their motivation to uphold the MINDEF flag – ensures that they find a way to come together as meets approach.

2WO Sia said that his team's victory was by no means easy; nor was it a matter of chance. "I think having the proven track record over the years – and being one of the biggest organisations in the competition – naturally makes us the team to look out for," he said. "However, all is not a bed of roses throughout these periods as we have also lost a few rounds to stronger and better-prepared opponents. Our results thus far are not by sheer luck, but through commitment, hard work, team cohesion and true sportsmanship."

A little star power did not hurt either. "The team was honoured to have our former Chief of Defence Force LG Perry Lim Cheng Yeow join us in this year's event, not as guest-of-honour, but as a team mate!" 2WO Sia said. "Many requested to take photos and selfies with him throughout the event."

In celebrating MINDEF's victory, 2WO Sia shared his hopes that their success would encourage more people to swim – not just for the opportunity to compete, but for the many benefits that come with swimming.

Guest-of-Honour Mr Ho Chee Pong, CSC Executive Committee member, presented prizes to the winning teams.

LTA has all the right words at Scrabble Competition 2018

28 April 2018

RESULTS

Champion	Land Transport Authority
1st Runner-Up	Housing and Development Board (1)
2nd Runner-Up	Ministry of Education
3rd Runner-Up	Housing and Development Board (4)

On 28 Apr '18, twenty-eight teams from 14 government agencies converged at the Tessensohn Clubhouse for the Public Service Scrabble Competition 2018. The public service's top wordsmiths were there to outwit one another for honours. In what was a surprise upset, the Land Transport Authority (LTA) team topped the podium, a position dominated by Ministry of Education in the past.

Lim Sun Kiat, LTA's Scrabble convener, revealed that their win was a long time coming. "The last time we clinched the championship was some five years ago," he said. "In 2011 and 2014, we were the first runners-up."

While the LTA team has no coach, they have plenty of experience and a keen interest in learning – and sharing of – new words. "Many of our players have been playing Scrabble for about 20 years; our players range in age from 29 to 60 years old," Lim said. "We have regular practice after work in our Staff Club. Some of us play Scrabble online. Even though we are experienced players, we continue to practise and upgrade ourselves by learning new words."

Guest-of-Honour Mr Charlie Ng, CSC Chief Executive, presented prizes to the winning teams.

MOE chalks up second consecutive title at Pool Competition 2018

2 May 2018

The Public Service Pool Competition 2018 was fought tooth and nail by some 30 teams from 15 organisations at the Snooker Zone Toa Payoh on 2 May '18. In a thrilling repeat of the 2017 final, Ministry of Education (2) faced off against Ministry of Defence (2). With the score tying at 2-2, the decider was placed on the women's match which MOE pulled off a come-from-behind victory to repeat their 2017 success as champion.

Audrey Chua, Captain of MOE (2), was in the thick of the action. "It was a tough game. The team score was 2-2 and I was trailing in the deciding game with a score of 2-0. Pressure was immense," she said. "Fortunately, I managed to stay calm and focused – and caught up by winning three games in a row to win the match with a scoreline of 3-2 after a gruelling two and a half hours. That helped to give us the win over the MINDEF by 3-2."

Comprising teachers from different schools, MOE (2) faced several challenges on the way to their victory. "Due to our work schedules and commitments, it was difficult to find a common time to train on weekdays. So, we had to train on our own on precious weekends," Audrey said. "However, during the month of the competition, we squeezed in time to train even on weekday evenings."

Audrey also shared that this year's competition provided a new opportunity for cooperation across different government agencies. "In support of this initiative, I invited two friends: one from the Ministry of Health and another from MINDEF," she said. "I hope this initiative stays and I hope to play alongside other public servants in the years to come."

Guest-of-Honour Mr Jackson Koh, CSC Executive Committee member, presented prizes to the winning teams.

SportSG serves up surprise victory in Tennis Tournament 2018

7 May 2018

RESULTS

Champion	Sport Singapore
1st Runner-Up	Ministry of Education
2nd Runner-Up	Monetary Authority of Singapore
3rd Runner-Up	National University of Singapore

Kallang Tennis Centre hosted the Public Service Tennis Tournament 2018 from 9 April to 7 May '18, with 19 teams from 17 organisations competing for honours. After many rigorous rounds, Sport Singapore (SportSG) and Ministry of Education, the defending champion, finally met in the finals. Adopting a “never-say-die” spirit, SportSG battled hard to emerge as champions – an unexpected result that surprised even the winning team.

According to Joshua Chua, convenor, SportSG had a lengthy road to glory. “First, I had to recruit more players – hidden talents and gems – as we usually had issues with even finding sufficient players to fill a full team of 12 players, with eight to play,” Chua said. “At times in the past, we have had to give walkovers when our players couldn’t play due to last-minute commitments. More importantly, I had to find an able assistant convenor/captain to handle training sessions when I couldn’t be around.”

As it turned out, new faces were key to building this team. “Most of the team members in this year’s winning squad are new to SportSG, so it’s a pretty major overhaul,” Chua said. “Self-coached, we tried to train at least once a week about two months before the tournament. Thankfully, a number of the team members are self-driven – *jio-ing* one another to hit during lunchtime.” That commitment and cohesion, together with supportive and understanding bosses, were instrumental in their triumph.

In celebrating SportSG’s title, Chua had warm words for his teammates past and present: “From day one, as much as I have personal goals for my team, my main intent was to build a team that is supportive and caring towards each other, as well as to live better through sports – the SportSG Vision 2030 tagline. The enjoyment of the sport is most important, and the journey thus far supersedes the outcome we got. We have created a legacy together, and I am so proud of each one of them!”

Guest-of-Honour Mr Addy Suhairi Selamat, CSC Executive Committee Member, presented prizes to the winning teams.

CSC HEALTHY LIFESTYLE WALK @ Pasir Ris Park

Held on 11 May '18, the latest edition of the CSC Healthy Lifestyle Walk saw participants from several government agencies heading east to Pasir Ris Park. An ongoing programme designed to keep public officers active and healthy, the walk had previously taken place in locations such as Labrador Park and the Singapore Botanic Gardens.

After a mass warm-up led by zealous staff of Pasir Ris Sports Centre, participants set off for the 5km walk. With sea and greenery flanking both sides, the scenic route made the walk a very pleasant one. As a bonus, some participants even got to see some colourful roosters along the way.

Ms Giam Kah Kim from the Central Provident Fund Board, is no stranger to CSC activities. She had an extra incentive to participate in the walk this time around. "One compelling push for me this time was that I live in Pasir Ris," she said. Giam also got some of her fellow east-siders to join in. "I rallied some of my colleagues, especially fellow residents of Pasir Ris, to join me for the walk," she said. "It's definitely relaxing and enjoyable to be able to do such walks with colleagues-cum-friends, to catch up with them outside of work."

To top it off, Ms Giam won the top prize in the lucky draw. "This totally unexpected win really made my day," she said. "I couldn't help grinning from ear to ear all evening."

The Club would like to thank ActiveSG Pasir Ris Sports Centre for supporting the event.

CSC CYCLING CLUB

GOES PLACES

CLUB ANNIVERSARY RIDE TO JOHOR BAHRU

www.facebook.com/CSCcycling/posts/1635684293213693

What better way to celebrate the anniversary of CSC Cycling Club than for the group to head across the Causeway on our trusted two-wheelers for a leisurely ride and in search of good Malaysian food.

From a hearty breakfast of yong tau foo (亚坤西刀鱼丸酿豆腐) and in-between snacks of street-side crispy roast pork (叉烧烧肉) to a sumptuous seafood lunch all too soon! Succulent slices of lobster, pepper crab and live grouper were our catch of the day. We'll never forget this anniversary treat! Sedap bagus!

Lobster delight!

My Reflections... *Kevan Lee*

Many of my cycling "firsts" were experienced when I joined the CSC Cycling Club. This included my first round-island and first overseas cycling trip, which was an experience I hold close to my heart.

14 April 2018 came my first opportunity to cross the Causeway on my road bike. Setting out at 4.40am from home, I pedalled to our meeting point at Lorong Halus Wetlands, from where we cycled up to Woodlands Checkpoint. Immigration clearance was a rather interesting – but also daunting – experience.

But great meals and even greater company was part of the trip. I found myself fitting right into the group despite being the second youngest – the jokes and conversation were ageless!

The journey back to Singapore wasn't all smooth but for the cycling enthusiasts, it was all in a day's ride! From my encounter with a flat tyre – the group simply rolled up their sleeves and got it fixed in no time – to the heavy downpour which merely gave us another reason to chill out at the Marsiling Hawker Centre while we wait out the rain. After which, it was a pleasant ride home.

If you are looking to join a cycling group, look no further. The CSC Cycling Club welcomes all – we are a diverse group including quite a few "fatherly" and "motherly" figures but hey, don't be fooled by their age; they are one powerhouse when it comes to blazing the trail. For me personally, I look forward to more "first-time" ahead!

CAR-FREE SUNDAY AT ONE NORTH

www.facebook.com/CSCcycling/videos/1649509435164512/

Launching from Sports Hub, the CSC Cycling Club embarked on a leisurely ride along the Singapore River through Dawson and Portsdown to arrive at One North on Car-free Sunday on 29 April 2018. Thank you, Robin, for taking the lead.

A welcome change from the well-established Car-free Sunday at Civic District, this One North event was definitely worth a check-out. We set our bikes aside to browse car-free related merchandise such as the fuel cell vehicle that's powered by solar cell and fuel cells, as well as to try out the Jumping Fitness trampolines while dancing to Asian beats.

The event was a tad too crowded for our usual ride but it was great fun for all of us nonetheless.

A solar power and fuel cell vehicle... what a ride!

CSC RUNNING CLUB MEMBERS AT KLUANG, AN IDYLIC GETAWAY

by Tan Kay Teck

On the early morning of 5 May '18, some 13 members of CSC Running Club – joined by their family – headed north for Kluang, Johor for a short weekend getaway from busy Singapore.

First stop was Gelang Patah for a hearty breakfast of local fare like wanton noodles, *you tiao*, nasi lemak and fried carrot cakes, just to name a few. This was followed by a pit-stop at the famous art street in downtown Kluang – this time we feasted visually on some two dozens colourful murals by local artists that formed a rich backdrop for many of our selfies and wifies.

Next stop was the renowned Kluang Railway coffee café at Johor Bahru (JB)

Central station for some nostalgia that dates back to 1938 when the café was first established.

Soon it was lunchtime – and another excuse for us to eat again! After which we indulged in retail therapy at a souvenir stall and a shopping mall. Then it was time to check into our homestay accommodation for the night. Some of us spent the rest of the lazy afternoon singing karaoke and just enjoying the facilities of the beautiful homestay.

Meanwhile, the rest of our more energetic members took the arduous climb up the nearby Gunung Lambak (510m), where at certain points, it was a steep slope up with ropes providing the only support. Paul Chan, Vice Chairman of the CSC

Running Club, said, "I am happy that at my age, I managed to reach the summit within 45 minutes."

The next day, our members part-jogged and part-climbed up a mountain facing our homestay. Time passed quickly when you are having fun and at about 11 am, we set off for last-minute shopping before lunch at one of the popular local Chinese restaurants, Star Restaurant. After lunch, those of us who came prepared with coolant bags stopped by the *On The Road Café* to pack its popular cheese cakes back to Singapore.

Overall, it was an enjoyable getaway. Kudos to our organisers, Stella Tay and Hwee Ngo, for facilitating and looking into the details of the trip.

Jogging must be a part of a running club event!

Tri-Agency Games 2018

at CSC @ Tessensohn

MINISTRY OF
MANPOWER

Staff of CPF Board, Ministry of Manpower and Workforce Singapore came together to represent their respective agencies at the Tri Agency Games held on 25th May at CSC @ Tessensohn. The Games promotes camaraderie and interaction between the agencies.

This year's Games was hosted by Workforce Singapore and the Games was flagged off by the Chief Executive, Mr Tan Choon Shian. The participants had an adrenaline-fuelled afternoon competing in three sports - futsal, bowling and captain's ball. There were also exciting games stations for other participants.

The highlight of the day was the land telematches where representatives from the agencies battled it out in a series of team challenges, such as racing on an inflatable dragon and rowing a ball along a track. Mr Ng Chee Peng (CE, CPF) and Mr Poon Hong Yuen (DS, MOM) were also present to join in the fun to support their staff in the respective events.

The planning and organisation of the Games by CSC and assortment of facilities at Tessensohn clubhouse was something that the organising committee from WSG truly appreciated as it was evident that every one who participated enjoyed themselves.

Decor Challenge Hari Raya

In true kampung spirit, from layang-layang (kites) to bunga-bunga (flowers) all three CSC clubhouses dazzled members and guests with their beautiful Hari Raya décor befitting of the season.

It was the CSC Décor Challenge season again! Clubhouse staff were all hands on deck pitching creative juices together to bring to the fore the spirit of gotong-royong (community) associated with this festive celebration.

Although it was CSC @ Bukit Batok who was voted the winner, everyone took pride in having put their best foot forward to recreate traditional elements of the Malay culture to give members and guests of all races a greater appreciation of authentic Raya festivities.

Kudos to the décor teams behind each clubhouse!

It is important for lifeguards to stay physically fit for the job and meet the relevant basic standards set out for Pool Lifeguards by Singapore Life Saving Society and International Life Saving Federation.

The Lifeguards (LGs) at CSC are no exception. Since June 2016, the Club started a half-yearly test to ensure that our LGs are capable of rendering timely aid to distressed parties at all times, especially during emergencies.

In addition, they are given ample opportunities to train regularly. To motivate our LGs to do Fitness swimming in the pool, we have been running a Weekly Incentive Scheme since August 2016. LGs who complete their 2000m swimming each week are rewarded with a \$10 voucher. The Club is happy to report that all our LGs are training actively and are physically fit for their job!

So how is each important? Are they documents only for the rich? Can I do it myself? How do I start? To find out, join us at this upcoming talk.
